The Oxbow and Shawnee Lookout Park are part of a bird-rich floodplain on the Ohio-Indiana border. From northwest Cincinnati, take I-74 to I-275 south and exit at Kilby Rd. For Shawnee, drive about a mile south, turn right onto U.S. 50 and then left onto Lawrenceberg Rd. After the bridge, turn right and drive two miles to the entrance. For Oxbow, take U.S. 50 across the Ohio border. Cross Hwy. 1 and the I-275 ramp, go 200 yards, and turn left at Walnut St. (unmarked). Follow the road back to the Oxbow sign.
