

village creek drying beds

fort worth, texas

32°47'4.85"N 97°7'36.19"W

The Village Creek Drying Beds is a wastewater-treatment plant in the heart of the Dallas-Fort Worth metroplex and a haven for birds. From I-30 in Arlington, drive north on Fielder Road for 1.3 miles to Green Oaks Blvd. Turn right and go 0.3 mile to the unobvious gate entrance on the left.
