

Our very popular one day/night **Havana extension** includes breakfast, lunch, dinner, guide services, ground transportation, accommodation (same hotel as the previous night), and a guided walking exploration of Old Havana, a UNESCO World Heritage site and one of the most unique destinations in the Caribbean. Havana is loaded with interesting historic sites, museums, art galleries, and now several excellent restaurants.

Due a half century of relative economic isolation, Havana avoided rapid development and the loss of scores of historic residential and commercial properties during the last half of the 20th century. Many buildings have been recently refurbished, some dating back to the 17th century. The

harbor in Old Havana is presided over by Fortaleza de San Carlos de la Cabana, which is among the largest and best preserved Spanish Colonial fortresses in the

world. The Malecon, Havana's historic and scenic ocean drive, winds several miles along the coast from the harbor in Old Havana to the mouth of the Almendares River, defining the northern limits of this once opulent and attractive city. There is a new found energy, excitement, and sense of hope for a positive future among Cubans living here following continued improvements in U.S. and Cuban relations. If Cuba is to change radically in the coming years, most changes will be evident in Havana. Our hope is

that future development here focuses on historic preservation and renewal, but this outcome is not guaranteed. We hope you take this opportunity to enjoy historic Havana while you can!

Cost for the extension are \$375.00 per person in a shared room, and \$470.00 per single room. Currently, there are additional options for independent extensions beyond December 17th.
